PEAVEY CO. TO ISSUE NOTES.

Entire Indebtedness to Be Refunded at 6 Per Cent. to Run Three Years.

MINNEAPOLIS, July 31.—F. H. Peavey & Co. will refund all their indebtedness by issuing collateral trust six per cent notes maturing in three years. The plan announced to-day has the approval of a majority of the note holders. Its full acceptance will insure maintenance as a unit of all the Peavey interests, unchanged operation and unchanged management. The Minneapolis company, so far as business operation is concerned, will be in the same position as before the death of James Pettit, manager of the Peavey Grain Company of Chicago, and the discovery of a shortage. The exact amount of the Pettit shortage, heretofore given from \$1,200,000 to \$1,500,000 in various reports, is placed by official audit at \$1,637,000. The number of Peavey companies for which F. H. Peavey & Co. of Minneapolis are the holding company and whose assets are on deposit with a trust company to secure the note issue is fourteen, and the gross valuation of the assets of all the companies is given as \$5,500,000.

CALUMET & HECLA ENJOINED.

Michigan Judge Grants Order Prohibiting Proposed Copper Merger.

LANSING, Mich., July 31.—In the Ingham county Circuit Court this morning Judge Weist granted a temporary injunction restraining the Calumet and Hecla Mining Company from forming a consolidation with ten other mining com-

panies and putting through a merger which has been on foot for some months and which involves over \$2,000,000. In granting the injunction Judge Weist acted in direct opposition to opinions of Judge Swan of the Federal court and Judge A. T. Streeter of the Houghton county Circuit Court, both having held that a temporary injunction should not issue.

While courts cannot compel directors or stockholders proceeding by a vote of a majority to act wisely they can compel them to act honestly or undo their work if they act otherwise, said Judge Weist. "The courts of Michigan are open to residents of the State between themselves and are not deprived of jurisdiction by reason of the fact that a Federal court within the same jurisdiction on a bill filed by non-residents has the same subject matter before it for adjudication. The refusal of the Federal court to grant an injunction decided nothing final."
